## THE VIDEO CONFERENCES

We propose a conference on two different channels:

- per Skype conference (only audio channel) and
- Adobe Connect Pro Platform (common desk and video) (only visual channel)

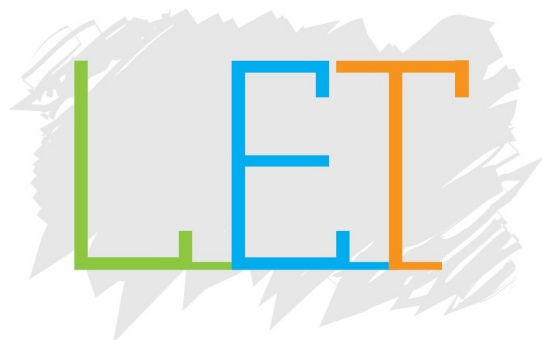

For the technical preparation of the **audio channel**, we invite all partners:

- To install Skype;
- To link (create contact) with the following 2 Skype IDs: “norbertkreuzkamp” and “acli.de”;
- To inform me about your Skype ID;
- To your Skype facilities and to check your microphone and your earphones (headset) (loud speakers should be avoided);
- To get familiar with Skype.

For the technical preparation of the **video channel**, we invite all partners to test the following link to our common meeting desk:

<http://emea63455199.adobeconnect.com/let>

- For the first time you might enter as “guest” with your clear name.
- For all who are more familiar with the platform or like to test it, I suggest to become a full user, who will log-in with their E-Mail address and a password that only you will then know.
